

Gordon Mackie Associates Ltd
is a waste management consultancy
that is widely known throughout the
UK for providing specialist advice
relating to the collection, recycling
and recovery of municipal waste for
local authorities on a national level.

Gordon Mackie Associates

Now in our sixteenth year of trading, we are looking to appoint suitably qualified candidates as part of our sustained development in the local government sector. Current positions are available at our Head Office in Hyde, approximately 7 miles east of Manchester city centre. We would welcome interest from candidates who may be based close to this location or are looking to relocate.

We offer expertise to clients in a number of key waste management areas but typically specialise in issues surrounding municipal waste. Recent projects have included waste strategies, feasibility studies, tender evaluations and best value reviews but could also entail a number of bespoke subject matters. As we continue to grow, so too will our overall technical capability and this means that we can continue to offer our clients a truly worthwhile and valued service.

Senior Consultant

Term: Permanent

Location: Hyde (east Manchester)

Salary: £28,000 to £36,000 per annum plus benefits

With an exceptional knowledge of the waste management industry, your role as a senior consultant will involve a great deal of varied project work due to the nature of our business. We will be looking to successful candidates to undertake this role in a more leading capacity with the ability to guide and direct work colleagues as and where necessary.

Your ability to adapt to change according to the needs of our clients will be paramount to the success of this role. You'll need to have at least one degree in waste management or environmental studies in addition to a substantial level of experience within the waste management industry, preferably at senior level. As with other positions, you will need to possess the ability to communicate with clients throughout all levels of the communication hierarchy and be capable of presenting information and openly discussing options with them surrounding project work.

Continued...

Project work will be undertaken both individually and as part of a team, and you will be expected to take a lead role and complete duties within pre-defined timescales and budgets. Successful applicants will also be required to visit clients from time to time and occasionally stay away from home in order to be local to clients' offices whilst project work is being carried out. Your representation of the company to existing and future clients will be vital in terms of professionalism, expertise and appearance.

In return, we offer tremendous career prospects with a real opportunity to continue to progress and a competitive salary commensurate with experience. Other benefits include the full support from existing and senior staff members, pension contribution and life insurance.

If you would like to speak to us informally about this position, please telephone our head office on 0161 351 9356 and speak to Adnan or Geoff. If you would like an application pack, please e-mail recruitment@gordonmackie.net stating your name, address and the position you would like to apply for. Packs will be sent via e-mail unless otherwise stated.
